

GloHealth

GloHealth insurance policies allow for out-patient visits to Nutritionists as part of their add-on complimentary health packages. I can confirm that they have the same controls in place as VHI, Aviva & Laya healthcare, and only GloHealth members who attend qualified registered dietitians/nutritionists (who are members of the Irish Nutrition & Dietetic Institute) can submit receipts for claims.

Plan	Re-imburement	Maximum visits	Excess €
